

Burundi Mid Term Report June –December 2018

Burundi is a beautiful country in East Africa with the 2nd deepest Lake in the world “ Lac Tanganyika”. Burundi was chartered in 2004 and became LC full member in 2017.

One of the major achievement and expected result was to see LCBu growing.

Hence, in November 2018, Burundi chartered a new Club (the 4th one in the country) in Kayanza Province, the north of the country.

4. Social Events

This period of time was characterised by numerous social events. Some members lost their family members, one LCBu member also passed away, some others gave birth, just to name few. In all the circumstances and guided by our motto "Friendship and Service", LCBu members were present and mutually helped.

Conclusion

Burundi LCBu members are brave ladies. Despite the problems we all meet in our everyday life, Burundi LCBu members are always characterized by friendship and are always present to serve. We've tried to do our best and we continue to implement the plans validated by the clubs as well as the national action plan. We hope that our plan will be fully implemented and that we will achieve our expected results.
