

Mid-Term Report 2018-2019 LADIES' CIRCLE France

In July

I organized my first National Board Meeting at home in Sens beginning of July, we had a great time together building our schedule and the main line of our year.

The Ladies' Circle of Lorient organized food stands during a big event : the well-known « Les Vieilles Charrues » (85000 persons a day). They raised ladies from all France to help them. The funds were donated to our national action AMFE (Children's Liver Disease Association).

In August

Participation at our great AGI in Norway.

In September

Our first charter ceremony of the Ladies' Circle France took place in Sarreguemines. We have chartered the club "Ladies' Circle 88 Sarreguemines". It was a great event. We also held a national board.

In October

Our 2nd charter ceremony of the Ladies' Circle France took place in Montceau les Mines.

We have chartered the club "Ladies' Circle 89 Montceau-les-Mines".

They had a long training course but they organized us a wonderful weekend.

We also held a national board together with our regional presidents.

I had also the chance to attend the ACI AGM in Gent, Belgium as the International President is a friend of mine, our French Isabelle SEGUINOT. That was an amazing Weekend : the ACI knows what means PARTY TIME !

In November

Our Mid Term Meeting took place on November 17th in side by side with our elder sisters AGORA in THOUARS. A very nice event that allowed the four National Presidents of our clubs (TRF, C41, ACF and LCF) that were there for the gala evening (400 persons) to have a Quatalagor meeting together.

FRANCE NATIONAL PRESIDENTS

We also attended the first charter of a Round Table France Club : Almost whola the Nationa Board of the LCF was present !
Welcome to our friends.
