## **A New National Board**

At our AGM on May 4th in Akureyri, a new National Board was elected. This year we had four new Board

members; Guðbjörg Björnsdóttir as Vice President, Eygló Hulda Valdimarsdóttir as Secretary, Lilja Björg Guðmundsdóttir as Treasurer and Hrafnhildur Viðarsdóttir as Weblady.

## Board Meetings

Our first Board Meeting was the day after our AGM and since then we have been active on Hangouts regularly. We also use our Facebook group a lot to communicate and discuss matters as

they arise. In September we finally got together again. We spent a whole weekend together in a small cottage in the countryside. Unfortunately, Salome Ýr our past president could not join us this time. The Board was very effective this weekend where we organised and planned our upcoming National MTM meeting. All in all we had very productive weekend, we worked hard, laughed a lot and we had such a great time together, getting to know each other better and bonding.

## Clubs status

In 2017 we chartered our 16th club. Sorry to say we also had to close one of our older clubs at our AGM in May, club number 8. It was very sad moment but we are optimistic that we will be able to bring it back to live in a short period of time.

## Charity Projects

This year LC Iceland is supporting one big National Project and also various smaller Projects country-wide.

## MTM Meeting

Our MTM was held in October where 50 ladies from all around Iceland attended the meeting. This year it was organized by LC 14 along with Round Table Club

16 as a part of our Side by Side partnership. The meeting was held in Reyðarfjörður which is on the East side of the country nearly 700 km from our capital city. The meeting was very effective, and our main goal was to make every Lady count and give them the opportunity to participate in the meeting. All the Ladies took part in discussion groups where various topics were discussed, everything from how to increase membership and attract younger Ladies to the Association to Charity Projects and how we can make impact in our society. Great discussion that was successfully carried out by our members.

## International travelling

There were ten Icelandic ladies that travelled to the International AGM in Haugesund in Norway. Salome Ýr as NP 17/18, Eva Björg as

NVP 17/18, Guðbjörg our NVP of 18/19, Ester, Inga Sigga, Svava, Pálína and Hugrún from LC 3 and Hildur and Hugrún from LC 7. We also had one partner with us. We had so much fun and loved that little, charming town of Haugesund. The Ladies in LC 3 stepped up with their application to host the Nordic MTM Meeting 2020. They had the perfect presentation and voting was in favour of us. The MTM will be held in Reykjavík, the Capital City of Iceland, 31 of January till 2 of February 2020. We are looking forward to welcoming all the Ladies that will be attending the MTM for the Nordic Region that year.

## Side by Side

LC Iceland and RT Iceland have a joint AGM every year and every second year, for some years now, we also have had joint MTM. Additionally, the National Boards communicate occasionally and help each other whenever possible.
