## SEPTEMBER 2018

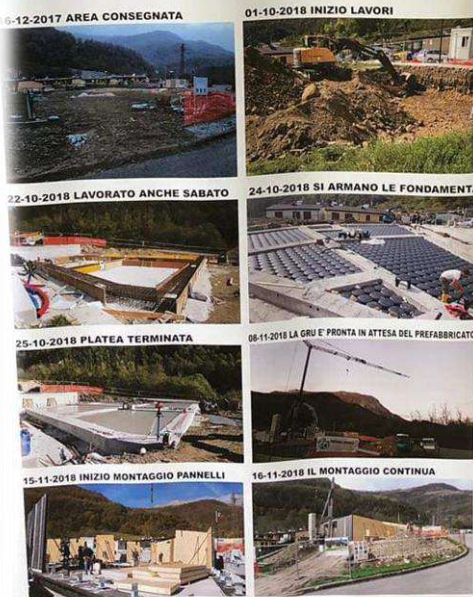

As every September it is always nice to go at the opening party of the 4C1V Italian Clubs, meet all friends after the summer holidays and take notes on all the events that will see us busy in the coming months around Italy. We had a meeting of the board to organize our first national meeting scheduled for October.

We are proudly to announce: in these weeks the construction of the Multi-functional Center in Arquata del Tronto (AP) started, in the project we have found € 150000 to the commitment of the 4Clubs1vision, together with the ANA (Associazione Nazionale Alpini). The end of construction is planned to next spring.

In November we met in Verona to deliver charity found to the Acero di Daphne Association, for years 2015-2016 and in 2017-2018.

Ladies Circle Verona hosted Ladies and the National Board in a wonderful event organized by the Club, on "Lo Yoga della Risata", interesting ... and very joyful! "

In fact all the charity 2016/2017 was reserved for the "A heart for Arquata" fundraising, by decision of the Four Clubs One Vision, in compliance with the earthquake that hit central Italy in August 2016.
