2018-2019

Members: 15

Circles: 3

Motto: Time to care for you & me

Charity project: "The River of Life" – helping elderly living in the social services home care of Kekava city.

### MEETINGS

This season is highlighted with new discoveries and emotional being together. As usual, circles have organized small events, also inviting ladies from other circles to share their time and friendship.

Season started with Grand opening in Kitchen Design center, small talks and information about changes in circles and planning.

During the first part of the season, the ladies have both making natural cosmetics together, having new gastronomic experiences, visiting Freedom Statue.

## CHARITY

In last season we continued the charity project “River of Life”. We continued speaking with elderly living in a social services home and taking a pictures. As a new part of the project was special photo session for social service workers.

The exhibition of 20 large size photography in September was exhibited in municipality premises and in the beginning of 2019 they will continue to familiarize the local people with the stories of seniors in the Culture house of Kekava premises.

In anticipation of Latvian State 100<sup>th</sup> anniversary celebrations, nursing home it was presented to a booklet summarizing all the stories and pictures.

Ladies have admitted that this was one of the most which emotional and also a life learning experiences.

Unlike other years, the Christmas event was organized as a charity a pop-up brunch with invited chefs. It was possible to buy tickets for this event and the funds were channeled into the project "River of Life".

## SIDE BY SIDE

This year our Round Table Latvia friends took part in our charity project by supporting us in opening of second part of photo exhibition and by promotion and participation in pop-up charity branch.
