Dear LCI Board,

The AGM's from LC 1,2 and 3 were all held during May 2018 and a lot of Ladies from all the circles attended each one of it.

Our national AG of LCL took place the first weekend in June. We were very pleased to have as guests the national vice-president from LC Belgium Clothilde, a member from LC Germany Melanie and from the AGORA Germany Silke and Claudia. Some of the Luxemburgish AGORA in creation members visited us also during our AG. In the end of May, we attended the AGM of RT Luxembourg.

In August, some Ladies were at the LCI AGM in Haugesund.

In October, our national board had a common meeting with RT Luxembourg.

Some members joint a meeting of the AGORA Luxembourg in creation.

November was marked by our traditional Side by side with RT – the Cinema morning for children from childrens home with 200 participants.

In December, we had our Christmas Meeting for all 3 circles with special guests from Danemark.

Between all these events, we had 4 National board meetings.

The LC Luxembourg is preparing a big event in march to make the LC much more popular.

As you can see we were quite busy.

Yours in friendship and service,

Cynthia Klein

Vice President 2018/19
