

## Ladies Circle Malta

### Half-Yearly Report 2018-2019

The following is a report of activities LCM had between July and December 2018.

**July** – LCM organised a Summer BBQ and Bingo night in aid of Dar Frate Jacoba, a home which gives shelter to homeless youths who find themselves on the edge of society.

**August** – This was quite a busy month. It started off with an international visit from ladies from LC Finland. Our ladies met them for a night out in the city and watched a movie.

LC Malta took part in a cooking competition organised by the RT 2 Club. Our ladies didn't win the competition but surely left a good impression 😊

The LCI AGM is every year well attended by our Circlers and this year, 4 ladies travelled to Norway to attend this great weekend. Our IPP, President, Vice President and one of our members flew over to Haugesund. We heard a lot about this weekend and how interesting and fun this was.

**October** – This is our busiest month as we hold our yearly AGM in the last weekend of October. October started off with another international visit. This time, it was a nice group of ladies from Denmark. We met them for an afternoon in Sliema.

As already mentioned, during the last weekend of October, LC Malta had the AGM held jointly with Club 41 Melita and RT Malta. This year we had a good attendance from other clubs including 2 members of the LCI Board – Criss and Marieke. We had circlers from Belgium, Romania, The Netherlands, Germany, Norway and Sweden.

**November** - We started our new year with a new venue for our monthly meetings and having two prospectives join our meetings. They have been regularly attending and will be soon inducted. In November, we had another visit from LC Spain IPP.

**December** – This month we had two charity events. On a yearly basis, the ladies bake mince pies and we then sell them during a charity event. This charity event was held in aid of Dar Frate Jacoba, a home which gives shelter to homeless youths who find themselves on the edge of society.

Another event which we organised for the first time but are already planning to do it every year, was giving Christmas presents to children residing in a children's home run by the Sisters of Dar Sagra Familja. This event was jointly held with Club 41 Melita.

We ended this month with our Christmas dinner and Secret Santa event.

We have many plans for the year 2019 and more ladies who are interested in joining our January meeting.

On behalf of the Ladies Circle Malta, I wish you all the best for the New Year.

YiC,

**Stefania Camilleri**  
**Secretary 2017-2019**
