

## Half year report from Ladies Circle Norway

2018/2019

## LCI conference in Haugesund

We were so lucky to host women from all over the world in Haugesund in august.

---

## Leader meeting in Stavanger in september

We had the leader meeting »Side by side» together with Round Table as always in september. We had a broad program with work shops and presentation of the new web site. We had a great speaker who talked about being brave in the everyday life. He really inspired us a lot. The arrangement was very successful.

---

## Contract with Tangent Norway

When we were done with the Leader meeting we had a meeting with the President in Tangent Norway and IRO in Tangent International. We made a written agreement with Tangent and Ladies Circle to strengthen our cooperation.

## LC Norway Charity Project 2018/2019

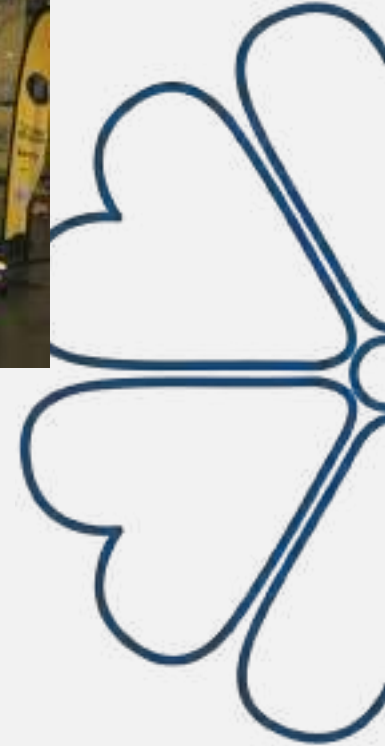

Team Rynkeby is a Nordic charity cycling team. Every summer they cycle from Copenhagen to Paris to raise money for children with critical illnesses. For almost a whole year participants must not only prepare themselves for the 1,200 kilometre trip to Paris but they are also obliged to do what they can to raise money for children with critical illnesses. Rynkeby Foods A/S, God Morgon and hohes C cover all the project's primary costs, which means that the money Team Rynkeby raises in each country is donated directly to local organisations that help children with critical illnesses.

For our contribution to this cause, we have held lotteries and auctions, sold Christmas stockings and pins, as well as received donations from members and clubs. So far we have achieved our main objective; to collect 100 000 NOK to become a platinum sponsor for next year's teams in Norway, which means our LCN logo will be on all team jerseys, which is great for publicity!

---

## The new Web site

In June we presented our new web site even though we didn't know LCI had the same plans for the organization.

The Weblady and the board have been working to make it functional and we have been working a lot with it lately.

---

## Recruitment

We don't have district chairmen so the National board decided to call all the leaders of the 62 clubs and speak about increasing the amount of members in each club. We decided to work together to recruit members so there will be at least 20 members in each club.

We have a lottery that will end in April. Each member who has recruited a new person to visit a meeting can win the registration cost on the National AGM in Trondheim in May 2019. There will be two winners.

We also help them to use our web site, and encouraged them to put pictures from the club meetings on our LCN facebook site.

## The Shop

We want our members to use our products so that we can spread the news about LC in the every day life. We have designed our own training outfits with our brand printed on. We also have several new products like hip flasks, reflexes, luggage ties etc.

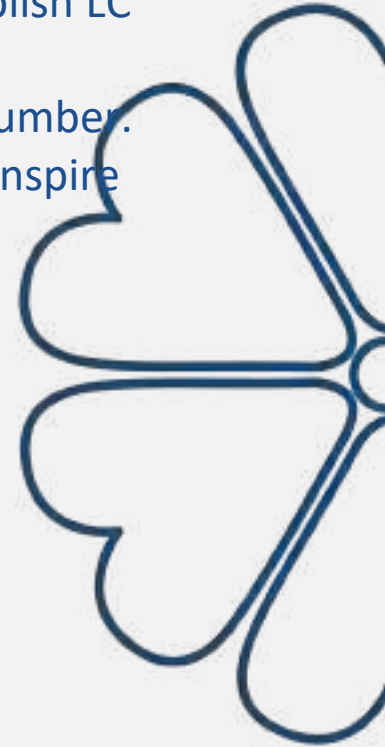

We have also designed a «100 % present pin» for the members who participates in every meeting. Those who have been members for 10 years will also get a pin.

National Ladies Circle Magazin named Circeline

We haven't had a magazine in many years and we will now like to publish LC news again.

We are working on our second magazin now which is the Christmas number. The members really liked the first one, and we want a magazine that inspire LC girls to circle around in Norway and the world. There will also be a lot of useful information about being a LC member.

## HYM in Marocco in October

I was so lucky to join Tangent and 41 to go to the HYM in Marracesh, Marocco in October. I was so nice to meet the LCI president Kenza and the Tangent Marocco. It was a fantastic arrangement.

---

## Board meetings in LC Norway

The Board has had 4 meetings; AGM Stavanger, «Get to know each other» in Holmestrand, the Leader meeting in Sola, Stavanger and Pubcrawl in Kristiansand.

(Pubcrawl winning team)

I am looking forward to seeing you all next year.  
So we can spread alot of joy together.  
Thanks for all the happy moments in 2018.

Kirsten Lauvrak  
President LCN 2018/2019
