LATE JUNE – JULY 2018

We had the privilege to receive in our hometown the last board meeting for 2017-2018 LCI year and we've share so many wonderful moments with the boardies. A lot of sightseeing, dinning out and a really catch-up time to relax and enjoy the pre-holidays feeling.

AUGUST 2018

Unfortunately we were not able to participate at the LCI 2019 AGM in Norway this year, but we kept ourselves updated with all the photographs and videos shared on Facebook. 😊

SEPTEMBER 2018

We had a dinner meeting with RT Lisbon 3 to catch up after the holidays and share some of the activities for the next RT and LC year. We've discussed again about a joint AGM but still considered best not to do it together this year.

OCTOBER 2018

We had a wonderful surprise visit from Ladies Circle Spain and held a very nice dinner and night out at Bairro Alto. It was so special to get to know all this new members, but also members from Finland that decided to move to Spain and create LC Spain, what an accomplishment! We wish all the friendship and service in the world.

NOVEMBER 2018

We partnered with FUT4LL again this year and collaborated in their joint initiative of collecting of clothes and school supplies for children in Guiné-Bissau.

DECEMBER 2018

Last month of the year and of course we had a ladies & families Christmas dinner on the 23rd, celebrating one new member to our group and another amazing LC year. Happy New Year to all the ladies around the world.
