

LADIES' CIRCLE SLOVENIA

HALF YEAR REPORT 2018-2019

Number of circles: 1

Number of active members: 6

In last half year members of LC Slovenia spent some quality time together.

We meet monthly on various events, mostly at socializing.

Two events must be highlighted.

In November 2018 members LC Slovenia visited Slovenian alpine museum: exhibition named Female courage, about slovene woman alpine climbers. We also meet woman mountain guide Tina di Batista. We attended the presentation of the mountain expedition to Ladak I.

In December 2018 we had an active role in organizing, now traditional, event: magic show, Santa Claus (Cold Grandpa) and gifts for the children from poor families. We feast them with creamcakes, sweets and juice.

Two photos from the mentioned events:

We wish you the very best for the new coming year: 2019.

Yours in friendship,

Aleksandra Žumer, president LC Slovenia 2018/19
