HALF YEAR REPORT – LADIES CIRCLE SOUTH AFRICA

Board members:

Judy Theunissen – President “Leave a Little Sparkle wherever You Go”

Peta-lyn Foot – Vice President

Michelle Jacobsz – Immediate Past President

Malette Richardson – Secretary

Yolande Gray-Browne – Treasurer

Bronwenn Odendaal – Webmaster

Current Membership: 34

Current Circles: 9

Circles in Formation: 2

The first half of the 2018/2019 Circle year has been absolutely SPARKLING!!!

I am happy to say that most Circles are actively making a difference in their communities, with a special mention to Edenvale LC 6, who have gone above and beyond with their membership drive (1 of which was paired with RT), resulting in the formation of a new Circle in Sandton. The hard work which the ladies from Edenvale LC 6 have put in has paid off and we look forward to meeting the new Ladies from Sandton.

Our second Circle in Formation – Krugersdorp – has also been coming on for a while. We’re super happy to welcome Sulette v d Berg and her ladies into our Circle Family!

Ladies Circle SOUTH AFRICA

Side by Side events and projects with Round Table and various other organisations are always on the go! Most Circles have had a project/event with their local RT, which strengthens the side by side bond even more. A big thanks go out to Round Table Southern Africa, who have had LC guests on their Round Table Radio Station, discussing LC related projects and membership.

Our National Project – Project Dignity – has also been nominated for the LCI International Service Project! Can you imagine the difference those Euro's would make to the lives of young girls in South Africa? It would most certainly keep girls in school in order to complete their education. We look forward to presenting our project at the MTM in Diani, Kenya.

Our unofficial National Service Project – Cupcake Day – once again raised more than R2 million for paediatric oncology patients and their families. Well done ladies for keeping this project going!

Bronwenn Odendaal and myself represented LCSA at LCI 2018 Haugesund, Norway. What an absolutely incredible country! Well done to LC Norway on a well organised, albeit an expensive event of a lifetime!

LCSA was also able to attend the 50th Birthday Celebration and AGM of 41'ers Club of South Africa. We thought the oldies would go to bed early, but boy were we wrong!!

We are promoting LCI 2019 Rotterdam like crazy! By the looks of it we'll have a pretty big contingency of LCSA members joining us for an awesome trip!

And then we are so super proud of our Breast Cancer Awareness campaign in October! Thank you to each and every Circler around the world who took part and supported our initiative! #sevendaysofcircle

After 2 successful council meetings, I can confidently say that, while we are small in numbers, we have the BIGGEST hearts!! LCSA has taken my motto to a whole new level and I am so super happy to see our Circlers Leaving a little Sparkle Wherever they Go!

Yours in Circle
