

LADIES CIRCLE
SRI LANKA

HALF YEAR REPORT

2018/19

NATIONAL PRESIDENT'S MESSAGE

Hello to all my lovely circlers!

First & Foremost, compliments of the Season! Hope you all would have had a great 2018 thus far. To give you a brief intro about Ladies Circle Sri Lanka, we chartered in July 2017 and we are currently just completing a successful one and a half years in circling. With many hardships to secure membership over the years as a new circle, we are proud to announce a solid 10 member club. With the vision of expanding our membership and re-working our mission for the new year, we started off our 2018/19 with a charity donation to the Lady Ridgeway Children's Hospital. Since then, our Ladies have been busy engaging themselves with side by side events, hosting fellow circlers and tablers and planning our annual fund raiser.

As a new club, we were privileged to work side by side with Round Table Sri Lanka in hosting the Round Table World Meeting for 2018. To tell you all the least, it was one of the most enduring experiences for all of us. We learnt the true meaning of circling and got to meet so many of you from across the world. I humbly thank each and everyone of you who visited Sri Lanka and encourage everyone who couldn't visit us this year to plan a holiday. We are always with open arms to welcome you!

Further, we have chosen 'Mental Health & Wellbeing' as our cause for the year. We hope to create awareness and raise as much funds as possible towards this worthy cause. There is a lot of social stigma concerning Mental Health in Sri Lanka and many find it difficult to get access to good medical care. We hope to help a resourceful centre through our network of circlers.

On this note, I would like to wish you all a Happy & Prosperous New Year for 2019!

Hope to See you somewhere across the world very soon.

Yours in friendship & Service,

Rukshica Perera
