

Ladies Circle Sweden

Half year rapport 2018/2019

Executive board meeting

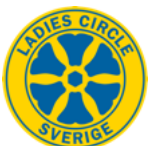

In June we started the year with a meeting in our president Anna's hometown Gothenburg for the president, vice president, treasurer and secretary. We stayed in the flat for 48 hours, planning the year and discussed what to do. Anna cooked fantastic food all weekend long and we laughed a lot.

During this half year we have had 7 meetings total together. Living in different parts of Sweden we have had these meetings mostly on the phone but the communication we use the most is messenger. We talk at least every week but sometimes every day, it's great to be able to get a quick answer and it makes it easier to get to know each other.

Board meeting 1 and KOM 2018

In the beginning of August we had our big kickoff with the whole board and all of the club presidents in Ronneby. This event is with RT and we are about 380 participants. We had our first board meeting and Anna talked about her motto "Explore" and the goals to travel and grow.

Board meeting 2 - Gothenburg

In the beginning of October we had our second board meeting in our Presidents hometown Gothenburg.

We had a causal meeting on Friday evening and a board meeting from 09:00-17:00 on Saturday. We talked about social media, different proposals for the AGM and different workgroups. Our marketing manager talked about or new sponsors, the web lady talked about circler.world, the editor talked about a competition to write a article and win a ticket to the AGM and last but not least our shop lady talked about our new products.

LC-touren

We have a new thing this year, LC-touren. It's a competition that any sister can be a part of. We have 22 different events spread throughout Sweden and the year, MTM, LCI and one other meeting outside of Sweden is also on the list.

You win gold if you participate in 5 events, the AGM and two area meetings.

We started the year with LC-mamman where mothers take their children with them and hang with other LC-mothers. LCI, the champagne cruise, the moose competition, the goose dinner and the Nobel dinner is other tour-events.

Here is also some pictures from the other events!
