The National Board of 2018-2019:

President: Femke Hagen

Secretary: Nicole Hooijen

Vice-president: Carolien van Dijk

Weblady: Marjon Boekholt

Immediate Past President: Marleen
Kaarsemaker

Treasurer: Aniek Pijpelink

LC information 2018:

Active Circles: 74 and one chartering in February (LC 80) and one in March (LC 81)

Members: 1022 (On the 31th of December)

Average age: 39 years

Regions: 10

National Theme of 2018-2019:

“Be the girl on the right!”

Explanation of our national year theme:

Be the girl on the right! It's a shout out and an invitation at the same time....

As out of your comfort-zone. Try something you haven't done before, without fear.

#Fearless!

Be who you are. You are nice, pretty and good enough, you are an addition to your Circle!
Also a call out to all the Ladies; It's Okay, give each other some space to be their selves.

#Authentic

And the red high heel: It's the symbol for feminity. Displayed in the colors of power and fire!

The combination of the red and the high heel stands for a powerful women club.

Ladies, we are different and by accepting and combining this variety of differences we will achieve more together.

In **friendship** and **service**.

Ladies..... you are making the difference.

Femke Hagen, President LCNL 2018-2019

Agenda

June

The National AGM

The 2th of June we hosted our AGM, side by side with Round Table The Netherlands. We had separate meetings and a joint Galadinner and afterparty.

Our National Service Project "make a wish" ended and a new one was chosen. We are very proud to tell that we raised 315.809,- euro for Make A Wish.

No need to say that our new chosen project is also very happy to be chosen for the next two years. This picture is taken directly after the announcement that they won the battle:

LET'S BEAT NF!

The first goal of our NSR ("Let's Beat NF") is to raise 250,000 euro for a very specified research that will help a lot of people with NF type 1. The second goal is to make Neuro Fibromatosis more known to everyone. It's the biggest small disease of the world. There are more patients with NF as there are patients with ALS! We are hoping that all Ladies' Circles in The Netherlands will contribute, so this amount can be raised. And we are very proud to let you know that since June 2018, already 12 Circles have done some kind of fundraising for our National Service project: Lets beat NF!

We awarded by calling:

Geraldine Wijffels, LC 51 Zeeuws Vlaanderen: Contributing in a special way to LCNL (Lady of the year)

LC 50 Maastricht Outstanding serviceproject (Service Bokaal)

LC 44 Voorhout: Contributing to our Magazine (Ganzeveer)

LC 2 Wassenaar: Attendance award (Ladies Cup)

We thanked Marieke van Gent(IPP) and Ilse Nabuurs (TR) for all their hard work and time they have been giving LCNL and welcomed Carolien van Dijk (VP) and Aniek Pijpelink(TR).

Building our team

We started our year with a short weekend at the house of Femke. The goal was getting to know each other better and getting the focuspoints of LCNL together for 2018/2019. To achieve this, we wrote them down on flapovers and made a document from this. To get to know each other better we did something active, made pictures for PR, and climbed a rope challenge. It was cool to see how everybody reacted different on the challenges.

The AGM of Agora The Netherlands

Carolien and Marleen went to the Agora AGM on the 6th. They discussed on National level for organising the AGM Agora International 2020. They decided to go for it!

It is good to see that Agora is really expanding in the Netherlands. We really love meeting and learning together these fantastic Ladies.

The AGM of 41Club, The Netherlands

Femke and Marjon visited the 41ers on the 16th. They let us know that they are hoping for more side by side working together. We agreed. So one of the results is that the AGM 2019 is going to be at the same date, same city and same venue. We will organize the Gala and they are very welcome to join us. We are working on more side by side together with Round Table and 41Club.

July

August

September

The International AGM

1 september International AGM Haugesund Norway

We were so proud to be there with 28 Dutch Ladies. Marieke van Gent was installed as the new International Secretary. We won the Hatcontest (green hair with tulips in it) and tried to contribute during all three meetings in a positive way. Our goal is to make LCI stronger.

Just a small compilation of this wonderful event

October

This is the month when the Regional Meetings start. We always try to attend them with two boardmembers.

11th RBB Region 1, 30th RBB Region 4

We also joined the breastcancer awarenessmonth on facebook that was initiated by LCI. It was a huge succes. A lot of likes, sharing of posts and comments.

The AGM of Agora International

The 6th of October Marleen and Carolien had a very inspiring meeting in Ghent, Belgium.. So cool to see this organisation growing and knowing there can be "an afterlife" when we become 45 years of age.

We were very proud that Agora the Netherlands won the bid and is going to be the Agora Club who is organising The AGM international in 2020, The Hague.

The HYM, mi-AGM Belgium

20th October we went to visit our godmother Belgium for the Mi-AGM. It's a very warm connection we have with these Ladies. The AGM LCI convenor and member were there and promoted the LCI

AGM event. If they come with more than 100 Ladies, we will treat them with bubbles! Femke and Aniek speeched in two languages, French and Dutch, they loved it!

November

The Regional Meetings

1st RBB Region 3, 3th RBB Region 6, 5th RBB Region 2, 13th RBB Region 8, 14th RBB Region 10, 20th RBB Region 5, 21st RBB Region 9, 30th RBB Region 7.

A little Summary of the outcome of the regional meetings:

The National Service Project "Let's beat NF" promoted their goals. We noticed there were some Questions about the AVR, insurances, the risks of the organization of big events, and a big drive to share and listen to all activities everybody has been doing last year. Next to that everybody is looking forward to the LCI AGM in Rotterdam, making plans of transport and hotels.

Get together with LCI

We had a wonderful get together of the LCI board members with the Circles involved organizing the LCI AGM and checking out all of the venues and visiting the inspiring good cause "women win".

17th We skyped with our daughter Ladies' Circle Singapore.

The HYM Round Table the Netherlands

22th of November Marjon and Femke were at the Round Table Half Year meeting.

28th: We had dinner and a meeting, side by side, with Round Table the Netherlands

We had a really open discussion and the boardmembers really connected. We went searching for topics what we can do together instead of both doing it.

December

Before the start of our meetings, we always light our candle of Friendship. We meet live in the middle of The Netherlands, we Skype, Whatsapp, Facetime and we talk on the telephone to stay connected.

General topics of this year:

We are working on:

- Considering the implementation of different regions in our country and finding regionpersons. (Like LCI is doing)
- Building a PR-committee and webstore.
- Organising a committee for an event/party for the 45th Birthday of LCNL in 2020.
- Connecting with Ladies National and International
- Creating a more long term vision.
- We are working to make the National AGM (which is this year: Side by Side with RT) a good meeting and a nice party.
- Guiding two Circles towards their Charter. Expanding by chartering LC 80, Oss on 23th of February 2019 and Chartering LC 81, Noord-West Friesland, on the 30th of March 2019.
- The LCI AGM 60th meeting.

Upcoming National events 2019

2 Februari 2018: Half Year Meeting(VOL)

23 Februari 2018: Charter of LC 80

10 March 2018: Charity March

30 March 2018: Charter of LC 81

8 April 2018: Open Coffee

25 May 2019: AGM National(ALV)

There was/is so much more than this, but I made a little summary of the most important moments. We hoped you enjoyed reading this half year report.

Yours in friendship,

Femke Hagen,

President 2018/2019 LCNL
